

0500-81xx / 0500-82xx Ball valve PP, food  
0500-800x Ball valve PP for barrels  
0534-000x IBC discharge valve  
85xx-xxxx Threaded fittings

Our supplier confirms that global and specific migration tests carried out under the specified conditions of time, temperature and simulant solution in accordance with EU Regulation No. 10/2011 and EC Regulation 1935/2004 have provided FAVOREOUS results as the analytical value found is below the legal limit value.

Therefore, the material is suitable for contact with:

- non-acidic, aqueous food, including drinking water
- alcohol-containing foods (only for Ball valves PP, food)
- foodstuffs containing fats (only for Ball valves PP, food)

in all weather conditions and temperatures below 40 °C.

Our supplier declares that the raw material used for the production of its articles are in compliance with the directive 2011/65/EU (RoHS) and 1907/2006/CE (REACH).

The declaration is based on our current state of knowledge and information provided by our supplier at the time that the document was drawn up. The supplier – Bürkle GmbH in Bad Bellingen/Germany – is certified according to the standard DIN EN ISO 9001 by the DQS (German Society for Quality Assurance) since 1995. The number of certificate is 2284-08.
