878x-xxxx Hose couplings, 100 % plastic (POM), nw 6.4 mm

The purpose of this statement is to provide information regarding EU Directives 2011/65/EU and 2015/863 (RoHS) for the products listed above.

Based on a review of current information provided by direct and indirect suppliers, our supplier can report that any plated brass present in these product lines falls under RoHS exemption 6(c). The other materials used in these product lines are not expected to contain the 10 restricted substances above the thresholds specified by the RoHS Directives.

We and our supplier do not specifically analyze for the presence of the substances identified by these directives.

The declaration is based on our current state of knowledge and information provided by our supplier at the time that the document was drawn up. The supplier – Bürkle GmbH in Bad Bellingen/Germany – is certified according to the standard DIN EN ISO 9001 by the DQS (German Society for Quality Assurance) since 1995. The number of certificate is 2284-08.
